COURTYARD GROUND FLOOR

Ground Floor and the Convertible Roof – *a gem in Bavarian gastronomy.*

The “convertible roof” lets you enjoy the best of both worlds:

On warm summer days, enjoy an unparalleled view of the towers of the Frauenkirche. When it gets colder outside, the impressive view stays—only without freezing.

Whether you opt for traditional white sausage with sweet mustard & a pretzel, or modern culinary creations—the inner courtyard is the ideal place for palate-pleasing delights in a relaxed atmosphere.

In the evening, the Donisl takes on a completely different character than during the day: beneath a sparkling starry sky, it becomes a place where lasting memories are made.

This intimate retreat in the hustle and bustle of our traditional beer tavern radiates an inviting warmth that instantly captivates guests.

Wood paneling and cozy seating create an authentic, rustic atmosphere for get-togethers and romantic dinners. In the evening, softened, low lighting further enhances the relaxed mood—“Ein Prosit der Gemütlichkeit” (cheers to coziness).

GALLERY FIRST FLOOR

The Gallery – *Italo-Flair at Marienplatz.*

Bavarian charm, historic ambiance, and modern comfort come together. With an unobstructed view of the Frauenkirche, your event will take place in a truly special setting.

We also lovingly refer to our gallery as the “Ufizzi of Munich,” because it reminds us—and our guests—of the impressive architecture of Florence’s Medici building.

The 360° round walk beneath our glass roof and the view down into the beautiful inner courtyard are truly unique.

An architectural gem in the heart of “the northernmost city of Italy.”
